

**BLOCKCHAIN ACADEMY**

## BLOCKCHAIN AND CRYPTOCURRENCY TRAINING

Training and consulting on cryptocurrencies such as bitcoin and blockchain technology world-wide. We teach attendees about the opportunities that exist and how to use this technology, in order to innovate and better prepare for the future.

### CRYPTOCURRENCY TRADING FOR BEGINNERS COURSE

## **DISCLAIMER**

The information provided in the Blockchain Academy courses and accompanying material is intended for educational purposes only and not as individual investment advice. In addition, it should not be considered tax, legal or financial advice. You should consult with an attorney or other professional to determine what may be best for your individual needs and the legal, tax and financial impact of any investment decision.

The Blockchain Academy does not make any guarantee or other promise as to any results that may be obtained from attending one of our courses. No one should make any investment decision without first consulting his or her own financial advisor and conducting his or her own research and due diligence.

The information provided by the Blockchain Academy is not intended to be specific advice as to whether you should engage in a particular trading strategy or buy, sell, or hold any financial product.

Before deciding to trade any market, you should carefully consider what you want to achieve, how experienced and knowledgeable you are of the particular market and how willing and or able you are to lose your investment. The possibility exists that you could lose some or all of your initial investment and therefore you should not invest money that you cannot afford to lose.

To the maximum extent permitted by law, the Blockchain Academy disclaims all liability in the event any course material, information, commentary, analysis, opinions, advice and/or recommendations prove to be inaccurate, incomplete or unreliable, or result in any investment or other losses. Your use of the course material, information, commentary, analysis, opinions, advice and/or recommendations obtained from the course is at your own risk.
